CEYLONESE ESCAPE

Journey through the mystic paths of this magical island which is bound to leave you speechless. Take in the breathtaking sceneries of the mountains, tea fields, rich cultural heritage and its alluring wildlife.

04 nights and 05 Days

ARTRAVELE

DAY 01 |

AYUBOWAN

MAY YOU LIVE LONG!

As you land in the tropical isle, be greeted by the airport officials of Sri Lanka and clear immigration via the VIP silk route to be met and welcomed by your travel hosts from ArTravele. Enjoy a welcome snack and freshen up until your luggage is cleared for you by the airport officials.

After the formalities you will then be guided to your exclusive hideaway overlooking the luring Indian ocean. A warm tropical welcome to island life. Check in to your hideaway and meet with your hosts who will make you feel welcomed right at home through their friendly hospitality. Enjoy pleasant and calm surroundings as you rest and relax after your long flight to Sri Lanka. A grandiose welcome awaits you at your private hideaway. Enjoy its spa facilities and recreational sports until it's time to meet together as the sun begins to set for a gala Sri Lankan fusion evening.

An introduction to the diversity of Sri Lanka and the journey through the ages through dance and music. A Sarong themed beach party (Attire will be provided) where you will be introduced to the Sri Lankan way of dance and drumbeats. A Sri Lankan food fiesta to pair the grand celebration.

DAY 02 |

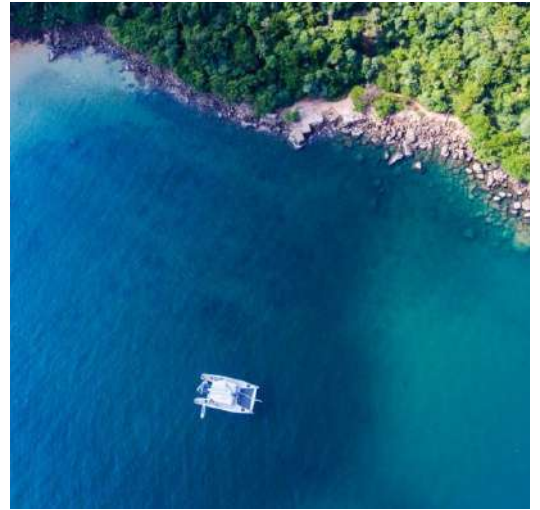

SUN & SEA

Wake up early to the sounds of the tropics as you embrace the new day in Ceylon. Following are few optional activities to explore your second day in the tropics.

Exploring the great blue

Board the only luxury cruise boat in the coastal line of Sri Lanka and set sail into the great blue as you go in search of the friendly Whales and dolphins. A playful day in the Ocean with Jet skii rides, Banana boats, Standup paddle boarding, on board entertainment. Fusion cuisine show to add to the fun filled day. Finish off your day with a beautiful sunset session on board before sailing back to shore.

Should you prefer to catch a glimpse of the beauty of the southern coast by air you have the option to hop on board the scenic Cinnamon air sea plane for a whale watching and scenic guided tour of Sri Lanka from above.

DAY 03 |

MISTY HILLS

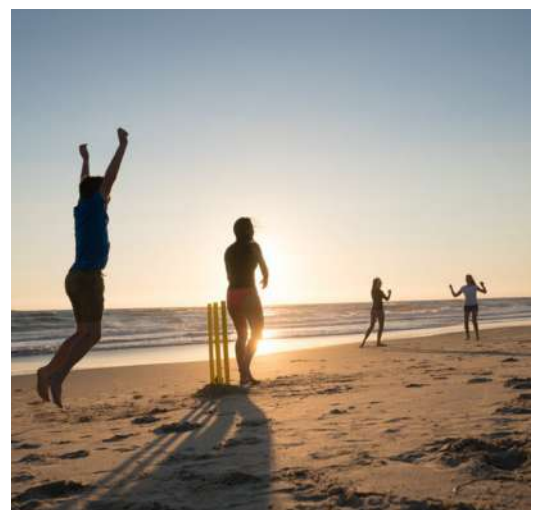

Wake up early morning for a perfectly brewed Ceylon tea and fuel yourself with a delicious breakfast before you head out on a day trip to the stunning hill country.

Hill Country

Take a sea plane transfer towards the cooling hills of Ceylon where you will be greeted in the grandiose style of the heritage era. Enjoy the art of making the perfect cuppa Ceylon tea while you are graced through the process of leaf to cup. Clad in colourful attire be led to the tea fields and partake in a little game to pluck the most amount of tea leaves in the art taught by the experts. Engage with the humble locals and continue your funfilled day to grace the hills either cycles or classic cars where you take in the beauty of the hills. Enjoy a private scenic dining before you head back to your haven by the sea.

Cricket Legends

After your return to your hideaway, you will then prepare for an interesting encounter on the beach where you will learn to play Cricket with a signature personality. A funfilled event as you engage in the sport with a beach vibe.

DAY 04 |

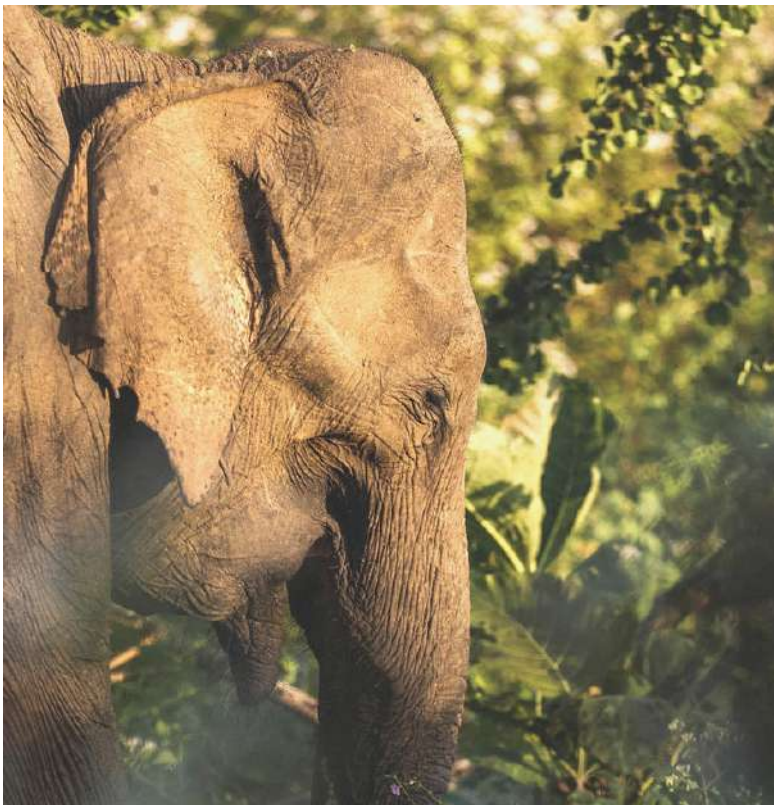

WILD ENCOUNTERS

Wake up early morning before sunrise to the callings of the birds and the distant sound of the waves crashing against the shore. Just as the call of the wild excited you, it is time to head into the Yala National Park for a safari. Drive towards Yala and hop on board the safari jeeps as you are greeted by your private rangers who will guide you through the secrets of the land of our wild friends. As you hop on board a safari jeep catch a glimpse of the early morning rays of the sun peak a glance at earth. The picture perfect sunrise as you enter the National Park. After a hearty exploration, stop over at the beach for a picnic lunch for a lovely scenic experience.

Sri Lankan Masterchef

Late evening make your way to the dinner pavilion and meet our celebrity chef and prepare to indulge yourself in a culinary journey in true Sri Lankan style. Junior masterchefs and Masterchefs get your apron on! Be guided through the art of seafood and vegetarian cuisine by mixing and matching the colourful Sri Lankan spices which holds a tale of Sri Lanka in each and every one of them. A skilful art and memories of an epicurean delight to take back home.

End the night with a grand fire works display.

DAY 05 |

UNTIL WE MEET AGAIN

MAY YOU LIVE LONG!

Today, you will make your way towards the airport in time for your onwards flight.

Bid your farewells to the island vacation and here's hoping you will treasure a piece of Sri Lanka wherever you go. Your final day in Colombo can be customized based on your interests and departure flight schedule.

We hope you enjoyed Sri Lanka as much as we enjoyed curating it for you.
